Looking for a great burger? Try Super Duper and a chocolate shake.

It's as fresh a burger as you can get, from one of those rare places where the people in the back can actually cook.

And they make it the way you order it. If you want the bun toasted, if you want two kinds of cheese, if you want tomatoes, if you want onions, you got it.

It takes about 10-15 minutes, but it's well worth the wait.
